BODY RITUALS

BODY SCRUBS POLISHES & WRAPS

A splash of yoghurt, lashings of papaya, a pinch of turmeric, a smidge of clove, a handful of petals, a smattering of lime, a morsel of ginger... When it comes to health and beauty, the Balinese - well aware that nature provides for all our needs - are more likely to turn to the kitchen or the garden than their medicine cabinet. We have borrowed from this philosophy, recreating some age-old formulas and concocting a few of our own to nourish you from the outside in.

Enjoy any of the 30 minute Body Rituals below for Rp. 150.000 or team with a 60 minute Balinese Massage and enjoy a 90-minute package that delivers maximum therapeutic benefit for Rp. 375.000

Mint and Aloe Body Scrub

This dual cooling and warming scrub allows for the release of surface toxins and other impurities from the skin. Refreshing and hydrating aloe vera leaves your skin soft, smooth, and radiant as dead skin cells are gently buffed away without disturbing the skin's natural PH balance. You will walk away lighter on your feet after your muscles have been manipulated and your soul uplifted thanks to the power of spearmint essential oil!

Bali Coffee Body Scrub

A unique and totally healthy way to get your caffeine fix. This intoxicatingly aromatic scrub provides high impact exfoliation. This enlivening blend finishes on a softer note with a carrot and sandalwood body conditioner to nourish and hydrate.

Jasmine Javanese Lulur Therapy

Nurture your inner princess with this delicately scented body therapy that hails from Java's 17th century royal palaces. Your body is coated in a jasmine-infused rice powder and spice mix, which is later removed with a gentle rub before your body is smothered with lashings of enriching yoghurt. The result is soft, supple and deliciously fragrant skin.

Volcanic Anti-Cellulite Body Scrub

Bali's mineral-rich volcanic clay is the hero ingredient in this scrub that aims to attack orange-peel skin. You should feel a slight tingling sensation as the potent minerals get to work on penetrating your skin in search of enemy fat cells. The addition of sea salt and sugar helps to boost your circulation and slough away dead skin cells. Expect to see the best results when you enjoy a series of treatments!

Tropical Flower Power

The Bali Experience – this gentle, Frangipani & Jojoba bead scrub buffs and exfoliates away impurities to reveal soft, smooth, and vibrant skin beneath. Hydrating extracts of macadamia nut & jojoba oils to nourish, revitalize and hydrate skin. Balancing Frangipani essential oils purify the senses leaving you innately calm.

Essence of the Earth

A grounding treatment that promises to leave you feeling renewed and transformed. Harnessing the benefits of essential oils of sandalwood and patchouli, you will experience true bliss! The beautiful aromas and feeling of serenity will linger for hours after!
